2. Basis of Agreement

2.1 Unless otherwise agreed by the Printer in writing, the Terms apply exclusively to every Agreement and cannot be varied or replaced by any other terms, including the Customer's terms and conditions of purchase (if any).

2.2 Any quotation provided by the Printer to the Customer for the proposed supply of goods or services is:

(a) valid for 30 days;

(b) an invitation to treat only; and

(c) only valid if in writing.

2.3 The Terms may include additional terms contained in the Printer's quotation. To the extent of any inconsistency, the additional terms shall have precedence over these Terms.

2.4 When quotations are based on specifications, roughs, layouts, samples or dummies or printed, typewritten or other good copy, any extra work caused by any variation by the Customer of his original instruction or by the manuscript copy being poorly prepared, or by the Customer's requirements being different from those originally submitted or described, may be charged to the Customer.

2.5 The Customer must provide the Printer with its specific requirements, if any, in relation to the goods and services. The Printer's written quotation shall be deemed to interpret correctly the Customer's instructions, whether written or verbal. Where verbal instructions only are received from the Customer, the Printer shall not be responsible for errors or omissions which are due to the failure of the Customer to make known expressly or by implication the particular purpose for which the goods and services are required or the result that the Customer desires the goods or services to achieve.

2.4 An Agreement is accepted by the Printer when the Printer accepts, in writing or electronic means, an offer from the Customer or provides the Customer with the goods or services.

2.5 The Printer has absolute discretion to refuse to accept any offer.

2.7 The Printer may vary or amend these Terms by written notice to the Customer at any time. Any variations or amendments will apply to orders placed after the notice date.

3. Pricing

3.1 Prices quoted for the supply of goods and services exclude GST and any other taxes or duties imposed on or in relation to the goods and services. In addition to payment of the price of goods and services, the Customer must pay any GST and any other taxes or duties imposed on the goods and services.

3.2 Where there is any change in the costs incurred by the Printer in relation to the goods or services, the Printer may vary its price to take account of any such change, by notifying the Customer. Estimates supplied in any quotation are based on the current costs of production and, unless otherwise agreed, are subject to amendment by the Printer before or after acceptance of the quotation to meet any rise and fall in such costs between the date of quotation and the date of execution of the order.

3.3 If the Customer requests any variation to the Agreement, the Printer may increase the price to account for the variation.

3.4 The Printer shall be entitled to charge the amount of any sales tax payable, whether or not included in the quotation.

3.5 All work carried out, whether experimentally or otherwise, at the Customer's request, will be charged to the Customer.

3.6 Proofs of all work may be submitted for the Customer's approval and the Printer shall incur no liability for any errors not corrected by the Customer in proofs so submitted. Customer's alterations and additional proofs necessitated thereby, shall be charged as an extra. When style, type or layout is left to the Printer's judgment, changes therefrom made by the Customer shall be charged as an extra.

3.7 All extra work caused by authors' corrections, including resetting and/or the over-running of composition shall be charged as an extra.

3.8 Unless otherwise agreed, the Customer shall bear the cost of type, hot metal and/or bromides, film, ornaments or artwork, specially purchased at the Customer's request.

3.9 Where the performance of any contract with the Customer requires the Printer to obtain goods or services from a third party, the contract between the Printer and the Customer shall incorporate and

shall be subject to the conditions of supply of such goods and services to the Printer, and the Customer shall be liable for the cost in full of such goods or services.

4. Payment

4.1 Unless otherwise agreed in writing:

(a) Subject to 4.1(b), full payment for the goods or services must be made within 30 days of the end of month of the date of the Printer's invoice, unless stated otherwise on any invoice.

(b) The Printer reserves the right to require payment in full on delivery of the goods or completion of the services.

4.2 The time for payment is of the essence.

4.3 Payment by cheque is not deemed made until the proceeds of the cheque have cleared.

4.4 Payment terms may be revoked or amended at the Printer's sole discretion immediately upon giving the Customer written notice.

4.5 The suspension by the Customer of any work, for any reason, for a period exceeding thirty (30) days shall entitle the Printer to payment for work already carried out, materials specially ordered for that work and all other additional costs, including storage.

5. Payment Default

5.1 If the Customer defaults in payment by the due date of any amount payable to the Printer, then all money which would become payable by the Customer to the Printer at a later date on any account, becomes immediately due and payable without the requirement of any notice to the Customer, and the Printer may, without prejudice to any of its other accrued or contingent rights:

(a) charge the Customer interest on any sum due at the prevailing rate pursuant to the *Uniform Civil Procedure Act (NSW)* plus 2% for the period from the due date until the date of payment in full;

(b) charge the Customer for, and the Customer must indemnify the Printer from, all costs and expenses (including without limitation all legal costs and expenses) incurred by it resulting from the default or in taking action to enforce compliance with the Agreement or to recover any goods;

(c) cease or suspend supply of any further goods or services to the Customer;

(d) by written notice to the Customer, terminate any uncompleted contract with the Customer.

5.2 Clauses 5.1(c) and (d) may also be relied upon, at the Printer's option:

(a) where the Customer is a natural person and becomes bankrupt or enters into any scheme of arrangement or any assignment or composition with or for the benefit of his or her creditors or any class of his or her creditors generally; or

(b) where the Customer is a corporation and it ceases to carry on business, or threatens to cease to carry on business, or if in the opinion of the Printer there has been a material adverse change in the financial position of the Customer, or if the Customer enters into any scheme of arrangement or any assignment or composition with or for the benefit of its creditors or any class of its creditors generally, or has a liquidator, administrator, receiver, manager or similar functionary appointed in respect of its assets, or any action is taken for, or with the view to, the liquidation (including provisional liquidation), winding up or dissolution without winding up of the Customer.

6. Rights in relation to the goods

6.1 In connection with the goods, while they remain the property of the Printer, the Customer agrees with the Printer that:

- (a) The Customer has no right or claim to any interest in the goods to secure any liquidated or unliquidated debt or obligation the Printer owes to the Customer;
- (b) The Customer cannot claim any lien over the goods;
- (c) The Customer will not create any absolute or defeasible interest in the goods in relation to any third party except as may be authorised by the Printer.

6.2 The Printer and the Customer agree that:

- (a) Until the Printer receives full payment in cleared funds for all goods and services supplied by it to the Customer, as well as full payment of all other amounts owing by the Customer to the Printer on any account whatsoever, title and property in all goods remains vested in the Printer and does not pass to the Customer;
- (b) The Customer is a bailee of the goods until such time as property in them passes to the Customer and the bailment continues in relation to each of the goods until the price of the goods and all other goods and services have been paid in full;
- (c) Pending payment in full for all goods and services, the Customer:
 - (i) must not supply any of the goods to any person outside of its ordinary or usual course of business;
 - (ii) must not allow any person to have or acquire any security interest in the goods;
 - (iii) must insure the goods for their full insurable or replacement value (whichever is the higher) with an insurer licensed or authorised to conduct the business of insurance in the place where the Customer carries on business and;
 - (iv) must not remove, deface or obliterate any identifying plate, mark or number on any of the goods.

6.3 Despite clause 6.2, if the Customer supplies any of the goods to any person before all monies payable by the Customer have been paid to the Printer, the Customer agrees that:

- (a) it holds the proceeds of re-supply of all the goods on trust for and as agent for the Printer immediately when they are receivable or are received;
- (b) it must either pay the amount of the proceeds of re-supply to the Printer immediately when they are received or pay those proceeds into a separate account with a bank or a financial institution or deposit-taking institution as trustee for the Printer;
- (c) if the Customer fails to pay for the goods within the period of credit (if any) extended by the Printer to the Customer, the Printer may recover possession of all the goods at any site owned, possessed or controlled by the Customer and the Customer agrees that the Printer has an irrevocable licence to do so; and
- (d) it assigns to the Printer all rights, actions, claims and demands that the Customer has against any third party to whom the goods have been on-supplied and the Printer may in its discretion give notice to that third party of this assignment and require the third party to directly account to the Printer for all amounts owing by the third party to the Customer in respect to the goods supplied and any payment to

the Printer shall constitute a good discharge of the third party's obligation to pay the Customer to the extent of such payment.

7. Personal Property Securities Act

7.1 Definitions

For the purposes of this clause, the following definitions apply:

PPSA means the Personal Property Securities Act 2009 (Cth).

Words and expressions which are not defined in this document but which have a defined meaning in the PPSA have the same meaning.

7.2 The Customer hereby acknowledges that these Terms constitute a security interest in favour of the Printer in all goods previously supplied by the Printer to the Customer (if any) and all after acquired goods supplied by the Printer to the Customer (or for the Customer's account) and in the proceeds of sale of the goods to secure the payment from time to time and at a time, including future advances.

7.3 The Customer acknowledges and agrees that by assenting to these terms the Customer grants a security interest (by virtue of the retention of title clause in these Terms) to the Printer in all goods supplied by the Printer to the Customer (or for the Customer's account) and these Terms shall apply notwithstanding anything express or implied to the contrary contained in the Customer's purchase order.

7.4 Purchase money Security interest: The Customer acknowledges that the Printer will have a purchase money security interest in the goods.

7.5 Proceeds: The Customer acknowledges that the Printer's rights and interest in proceeds derived from the goods constitute a security interest in such proceeds.

7.6 Financing statements: The Printer may register any security interest contemplated by this agreement on the PPS Register in any manner it chooses (including by registering one or more financing statements in relation to its interest in the goods, with such expiry dates as the Printer determines in its absolute discretion). The Customer must provide the Printer with any information it requires for the purposes of effecting such registration.

7.7 Notices: For the purpose of section 157(3) of the PPSA, the Customer irrevocably and unconditionally waives its right to receive any notice from the Printer in connection with the registration of a financing statement or a financing change statement in respect of the goods.

7.8 Goods not inventory: The Customer warrants that the goods are not, and will not be, inventory of the Customer.

7.9 Confidentiality: The parties agree that other than the existence of a security interest in any goods, and details of the relevant goods, and the amount (if any) owing by the Customer to the Printer from time to time in relation to any goods, all other information relating to this agreement is subject to a duty of confidence, and must not be disclosed to any party other than:

- (a) to a related body corporate of the Printer;
- (b) to an advisor, employee, banker, auditor or other consultant of the Printer;
- (c) to a potential assignee of the Printer; or
- (d) as required by any law (other than section 275 of PPSA) or by any government body or stock exchange.

7.10 Costs: The Customer agrees that any action taken by the Printer in relation to the Customer's security interest in goods is at the cost of the Customer.

7.11 Fixtures: The Customer warrants that the goods are not, and will not become, a fixture for the purposes of the PPSA, and agrees to take such steps as the printer reasonably requires to prevent the goods becoming a fixture for the purposes of the PPSA. The Printer will be entitled to remove the goods from any premises owned or occupied by the Customer (whether or not the goods are affixed) following a default by the Customer under this agreement, and the Customer agrees:

- (a) to procure appropriate acknowledgements from any owner, landlord or mortgagee of the premises, in a form reasonably required by the Printer, to ensure that the Printer's interest in the goods, its rights to remove the goods from the premises, and its right to enter the premises for that purpose, are acknowledged; and
- (b) to detach, or procure the detachment of, the goods from the premises following a default by the Customer under this agreement.

7.12 Enforcement: The parties agree that for the purpose of section 115 of the PPSA, the following sections of the PPSA will not apply to any collateral:

- (a) section 95 (notice by secured party of removal of accession);
- (b) section 121(4) (notice by secured party of enforcement of security interest in liquid assets);
- (c) section 125 (obligation of secured party to dispose of or retain collateral after seizure);
- (d) section 130, to the extent that it requires the Printer to give any notice to the Customer (notice by secured party of disposal of collateral);
- (e) section 132 (3)(d) (obligation of secured party to show amounts paid to other secured parties in statement of account);
- (f) section 132(4) (statement of account by secured party if it does not dispose of collateral within prescribed period) and
- (g) section 135 (notice by secured party of retention of collateral).

8. Risk and Insurance

8.1 The risk in the goods and all insurance responsibility for theft, damage or otherwise will pass to the Customer immediately on the goods being delivered to the Customer or taken from the Printer's premises.

8.2 The goods are sold to the Customer on the basis that the Customer has obtained all necessary licenses or permits under all relevant laws and regulations in relation to the goods.

8.3 The Customer assumes all risk and liability for loss, damage or injury to persons or to property of the Customer, or third parties arising out of the use, installation, storage or possession of any of the goods sold by the Printer, unless recoverable from the Printer on the failure of any statutory guarantee under the ACL.

9. Performance of Agreement

9.1 Any period or date for delivery of goods or provision of services stated by the Printer is an estimate only and not a contractual commitment.

9.2 The Printer will use its reasonable endeavours to meet any estimated dates for delivery of the goods or provision of services but will not be liable for any loss or damage suffered by the Customer or any third party for failure to meet any estimated date.

9.3 If the Printer cannot deliver goods or complete the services by any estimated date, it will do so within a reasonable time.

9.4 Every endeavour will be made to deliver the correct quantity of goods ordered, but estimates and/or orders are conditioned upon a margin of 10%, irrespective of numbers of colours, being allowed for overs or shortages. Such overs shall be charged for and shortages deducted.

10. Delivery

10.1 Subject to clause 10.6, the Printer will arrange for the delivery of the goods to the Customer.

10.2 Unless otherwise agreed, the Customer is responsible for all costs associated with delivery, including freight, insurance and other charges arising from the point of dispatch of the goods to the Customer to the point of delivery.

10.3 The Customer indemnifies the Printer against any loss or damage suffered by the Printer, its sub-contractors or employees as a result of delivery, except where the Customer is a consumer and the Printer has not used due care and skill.

10.4 The Printer may make part delivery of goods and services and may invoice the Customer for the goods or services so delivered or completed.

10.5 If delivery is attempted and is unable to be completed, the Customer is deemed to have taken delivery of the goods.

10.6 If agreed that the Customer will collect the goods:

(a) the Customer must collect the goods within 7 days of being advised that they are ready;

(b) if the Customer does not collect the goods within this time, the Customer is deemed to have taken delivery of the goods.

11. Customer property

11.1 The Customer's property and all property and materials supplied to the Printer by or on behalf of the Customer (including anchored blocks or soldered or patched plates or goods in transit) will be held at the Customer's risk, and the Printer accepts no liability whatsoever for loss of, or damage to, such property or material unless:

- (a) the loss or damage is caused by the failure of the printer to exercise due care and skill;
- (b) otherwise agreed by the printer in writing.

11.2 Unless otherwise agreed in writing by the Printer, the Printer accepts no responsibility for the insurance of such property or material. In the event of the Printer agreeing in writing to insure such property or material, the cost of insurance premiums shall be charged to the Customer.

11.3 Where the Customer supplies materials, adequate quantities shall be supplied to cover spoilage. Sheets and other materials shall not be counted or checked when received unless requested by the Customer in writing. An additional charge may be made by the Printer in respect of any such counting or checking request by the Customer.

11.4 In the case of property and materials left with the Printer without specific instructions, the Printer shall be free to dispose of them at the end of twelve months after his receiving them and to accept and retain the proceeds, if any, to cover his own costs in holding and handling them.

11.5 Where materials or equipment are supplied or specified by the Customer the Printer accepts no responsibility for imperfect work caused by defects in or unsuitability of such materials or equipment.

11.6 An extra charge may be made by the Printer for handling or storing property or material supplied by, or on behalf of, the Customer.

11.7 Any change or correction of any film, bromides, artwork and/or any printing surface supplied by the Customer, necessary to ensure properly finished work, shall be paid for by the Customer.

11.8 The Printer shall, in respect of all unpaid debts due from the customer, have a general lien on all goods and property in his hands and shall be entitled on the expiration of 14 days (or such other period as the Printer may stipulate) notice to the Customer to dispose of such goods or property as he thinks fit and to apply the proceeds toward such debts.

12. Liability

12.1 Except as the Terms specifically state, or as contained in any express warranty provided in relation to the goods or services, the Agreement does not include by implication any other term, condition or warranty in respect of the quality, merchantability, acceptability, fitness for purpose, condition, description, assembly, manufacture, design or performance of the goods or services or any contractual remedy for their failure.

12.2 If the Customer is a consumer, nothing in these Terms restricts, limits or modifies the Customer's rights or remedies against the Printer for failure of a statutory guarantee under the ACL.

12.3 If the Customer on-supplies the goods to a consumer:

(a) if the goods or services are not of a kind ordinarily acquired for personal, domestic or household use or consumption, then the amount specified in section 276A(1) of the ACL is the absolute limit of the Printer's liability to the Customer;

(b) if the goods or services are of a kind ordinarily acquired for personal, domestic or household use or consumption, then payment of any amount required under section 274 of the ACL is the absolute limit of the Printer's liability to the Customer,

howsoever arising under or in connection with the sale, installation, use of, possession of, storage of, or any other dealings with the goods or services by the Customer or any third party.

12.4 If clause 12.2 or 12.3 does not apply, then other than as stated in the Terms or any written warranty statement, the Printer is not liable to the Customer in any way howsoever arising under or in connection with the sale, installation, use of, possession of, storage of, or any other dealings with the goods or services by the Customer or any third party.

12.5 The Printer is not liable for any indirect or consequential losses or expenses suffered by the Customer or any third party, howsoever caused, including but not limited to loss of turnover, profits, business or goodwill or any liability to any other party, except to the extent of any liability imposed by the ACL.

12.6 The Customer acknowledges that it has not made known, either expressly or by implication, to the Printer any purpose for which it requires the goods or services and it has the sole responsibility of satisfying itself that the goods or services are suitable for its use.

12.7 Nothing in the Terms is to be interpreted as excluding, restricting or modifying the application of any State or Federal legislation applicable to the sale of goods or supply of services which cannot be so excluded, restricted or modified.

13. Cancellation

13.1 If the Printer is unable to deliver or provide the goods or services, then it may cancel the Customer's order (even if it has been accepted) by written notice to the Customer.

13.2 No purported cancellation or suspension of an order or any part of it by the Customer is binding on the Printer once the order has been accepted.

14. Shortages and Exchanges

14.1 Subject to clause 14.2 and 14.4, the Printer will not be liable for any shortages, damage or non-compliance with the specifications in the Agreement unless the Customer notifies the Printer with full details and description within 10 days of delivery. Otherwise, the Customer is deemed to have accepted the goods.

14.2 When any shortages, claim for damaged goods or non-compliance with the Agreement specifications is accepted by the Printer, the Printer may, at its option, repair the goods, replace the goods, or refund the price of the goods.

14.3 Subject to clause 14.4, the Printer will not under any circumstances accept goods for return that:

- (a) have been specifically produced, imported or acquired to fulfil the Agreement;
- (b) are discontinued goods or no longer stocked by the Printer;
- (c) have been altered in any way;
- (d) have been used; or
- (e) are not in their original condition and packaging.

14.4 If the Customer is a consumer, nothing in this clause 14 limits any remedy available for a failure of the statutory guarantees in sections 56 and 57 of the ACL.

15. Standing Material

15.1 At the discretion of the Printer, all plates, type, cutting forms and other surfaces and/or film, bromides, etc., may be cleaned off and/or broken up and/or destroyed immediately on completion of work unless otherwise agreed by the Printer in writing. All matter kept standing by the Printer at the request of the Customer shall remain the absolute property of the Printer unless otherwise provided. If, at the request of the Customer, the Printer agrees to keep matter standing, an additional charge may be made for storage, maintenance and any other necessary attention.

16. Intellectual Property

16.1 The Customer acknowledges that it has no proprietary right or interest in the Intellectual Property.

16.2 The Customer must not register or record or attempt to register or record anywhere in the world the Intellectual Property or any part thereof nor any patents, inventions, trademarks or designs derived from or similar to it, nor aid or abet anyone else in doing so.

16.3 The Customer must not at any time create, sell, manufacture or process any products using or taking advantage of the Intellectual Property.

16.4 Any Intellectual Property provided to the Customer by the Printer in connection with the goods or services remains the exclusive property of the Printer and must be returned to the Printer on demand. The Customer must not copy nor communicate the Intellectual Property to any third party without the Printer's express prior written consent.

17. Force Majeure

17.1 The Printer is not liable in any way howsoever arising under the Agreement to the extent that it is prevented from acting by events beyond its reasonable control, including, without limitation, industrial disputes, strikes, lockouts, accident, breakdown, import or export restrictions, acts of God, acts or threats of terrorism, or acts of war. If an event of force majeure occurs, the Printer may suspend or terminate the Agreement by written notice to the Customer.

18. Miscellaneous

18.1 The law of New South Wales from time to time governs the Terms. The parties agree to the non-exclusive jurisdiction of the courts of New South Wales, the Federal Court of Australia, and of courts entitled to hear appeals from those Courts.

18.2 The Printer's failure to enforce any of these Terms shall not be construed as a waiver of any of the Printer's rights.

18.3 If a clause is unenforceable it must be read down so as to be enforceable or, if it cannot be so read down, it must be severed from these Terms without affecting the enforceability of the remaining terms.

18.4 A notice must be in writing and handed personally or sent by facsimile, email or prepaid mail to the last known address of the addressee. Notices sent by pre-paid post are deemed to be received upon posting. Notices sent by facsimile or email are deemed received upon confirmation of successful transmission.
